Pah Nol Orange Extended Life Antifreeze

Ethylene glycol for newer cars and light-duty vehicles

Pah Nol Orange Extended Life Antifreeze is formulated with the latest organic acid technology (OAT) to create a high-quality extended life ethylene glycol antifreeze/coolant for newer model cars and light-duty trucks. It's special blend of long-lasting inhibitors is designed to protect all engine components, including aluminum, for a minimum of five years or 150,000 miles.

Pah Nol Orange Extended Life Antifreeze provides up to 150,000 miles or 5 years of protection and is free of phosphates, silicates, nitrites, amines, and borates. It is formulated for gasoline and is DEX-COOL™ compatible for use in GM vehicles. It provides extended corrosion protection for cooling system components and wet sleeve liners but isn't harmful to hoses, plastics, or gaskets.

Pah Nol Orange Extended Life Antifreeze provides the following benefits:

- Five year or 150,000-mile protection
- Formulated for newer cars and light-duty vehicles
- Latest organic acid technology (OAT)
- Meets ASTM D3306, DEX-COOL™, and HD OEM specs
