Gibraltar Wire Rope Lubricant

Penetrating Oil for Wire Rope

Gibraltar Wire Rope Lubricant is an ultra-thin specialty lubricant designed for braided/stranded wire ropes. This oil penetrates the strands of wire to provide lubrication and protection from rust and corrosion. It contains a premium anti-corrosive agents and hydrocarbon-based carrier that extends the life of all wire ropes.

Gibraltar Wire Rope Lubricant combines superior lubricity properties with a specialty additive package that inhibits corrosion, rust, and breakdown due to oxidation. It provides long service life, excellent lubricity and penetrating properties, and helps prevent undue wear.

Gibraltar Wire Rope Lubricant provides the following benefits:

- Excellent penetrant
- Outstanding protection from corrosion
- Safe for all braided steel ropes
- Prevents excessive wear
- Provides lasting service
- High lubricity

TYPICAL PROPERTIES

Viscosity, cSt @ 40°C	13
Viscosity Index	95
Flash Point, COC, °F, min.	365
Pour Point, °F, max.	0
